

7.1.9 :- Human values and professional Ethics

Details of activities for constitutional obligations Values, Rights, Duties & Responsibilities of citizens.

Human Values and Professional ethics are complementary to each other. Whereas human values convey personal conviction, ethics describe the accepted principles and standards of conduct about moral duties and virtues as applied to an organization. Sensitization of students & employees of the Institutions to the constitutional obligation is done through curriculum as well as through extra-curricular activities our constitutional rights, values, duties & responsibilities is one of the primary education given at the institute through various means. Many of the subjects offered have topics which sensitize the students about the responsibilities of citizens & duties. Also all students take a course on Environment Studies in their first year which gives them insight into environment acts, Wildlife Protection Act, Forest Act, Global environment Concerns etc.
