RENEWAL OF MOU

This MOU has been signed between the

Indian Institute of Geomagnetism (IIG), a constituent laboratory of the Department of Science & Technology (DST), Government of India, represented by

The Director
Having its office at Kalamboli Highway,
New Panvel, Navi Mumbai

AND

North Maharashtra University (NMU), established by the Government of Maharashtra (reaccredited with 'A' grade by NAAC), represented by

The Vice Chancellor
Having its office at Umavi Nagar, Jalgaon, Maharashtra

The Parent MOU was entered on 20th September, 2010 and it is hereby RENEWED on 24th January, 2017 on mutual consent for a further period of FIVE years. Further, all other terms and conditions of the parent MOU will remain unchanged for the above period unless and otherwise specific changes are made on mutual consent.

In witness whereof each of the parties has caused this MoU to be executed in two originals, one has been retained by IIG and the other by the University, on this day the 24th January, 2017.

IIG is actively engaged in research in the fields of geophysical studies for groundwater, GPS studies, environmental magnetism etc. Other than the studies related to internal structure of the Earth that requires geological and geophysical background, the Institute has important contribution in the areas of Space Physics and Atmospheric Physics.

It is now proposed to derive mutual benefit of the expertise available at IIG, in the common areas of research with Department of Physics and School of Environmental & Earth Sciences, NMU. The Indian Institute of Geomagnetism and North Maharashtra University arrive at the Memorandum of Understanding (MoU) to work together in future in areas of common research interests. The MoU is extended to the points spelt out in Appendix I. Based on the experience gained, this may later be expanded.

APPENDIX I

1. This MoU comes into effect from the date of its signing and will remain in force initially for five years. Its validity can be extended by mutual agreement of the parties.
2. The progress of the collaboration and output should be reviewed once in a year by the Director IIG and Vice-Chancellor of NMU, alternately at IIG, Navi Mumbai and at NMU, Jalgaon.
3. **Broad Objectives- scientific:**
NMU and IIG hereby agree to collaborate at an academic level in activities related to Space Physics, Environmental and Earth Science endeavors.
4. **Role and Responsibilities of the North Maharashtra University, Jalgaon and IIG, Navi Mumbai:**
 - (a) NMU should recognize IIG as a Research Center as per guidelines of NMU.
 - (b) IIG and NMU shall undertake an academic exchange program in environmental science, physics of earth science, space physics and atmospheric physics and any such investigations that are agreed upon by both the parties. The experimental databases generated are to be used by both the institutes equitable.
 - (c) IIG will help in establishing experiments of mutual interest which will be subsequently maintained by NMU departments in the campus of NMU, Jalgaon and help in literature search as and when it is found necessary by both the parties for smooth running of the collaboration.
 - (d) North Maharashtra University shall make available the required infrastructural facilities such as laboratory space, utilities like water, power, management and administrative support.

(e) Collaborating scientists of IIG and NMU will take part in data acquisition (using IIG facilities at NMU), its analysis and interpretation and publish these research papers under joint authorship. Papers/project reports published using the data collected should acknowledge contributions from NMU and IIG.

(f) IIG academic staff may be invited to NMU as adjunct/visiting faculty to deliver expert lectures on syllabus related topics and topics of current interest in Environment & Earth Science as well as in Space & Atmospheric Physics. Schedule for the same can be finalized by mutual consent.

(g) IIG should encourage the students and research faculties of NMU who would like to work with IIG scientists at IIG campus or at NMU. The project work carried out by the students will be recognized by NMU for respective degrees, viz. M.Sc., M. Tech., M. Phil, Ph.D.

(h) IIG faculties should be able to get recognized as Ph.D. guides in NMU and IIG students should be able to register themselves as Ph.D. students with the registered IIG and NMU guides in all the relevant and overlapping subjects such as environmental science and applied geology.

(i) For Ph.D. students belonging to IIG and NMU, the main guide compulsorily has to be a faculty of the concerned institute. However other faculties of these institutes can be co-guides.

5. MoU and its amendments:

The MoU shall be the sole repository of the terms and conditions agreed to between the parties and in maintaining thereof shall take into effect or be binding on IIG and NMU unless such amendments is authorized by IIG and NMU and is recorded in writing and signed by the representatives of IIG and NMU.

6. Project Monitoring Group:

Technical and administrative liaison shall be maintained between NMU and IIG through a Programme monitoring group to facilitate smooth running of the scientific activities. This group shall consists of,

1. Faculty of IIG as approved by Director of IIG
2. Prof. S.T. Ingle, Director of School of Environmental and Earth Sciences, NMU Jalgaon
3. Dr.S.N.Patil, Reader, School of Environmental and Earth Sciences, NMU Jalgaon
4. Faculty of Department of Geology, Z.B.Patil College, Dhule
5. Faculty of NMU as approved by Honorable Vice-Chancellor, NMU, Jalgaon
6. Faculty of Department of Geology and Geo informatics, M.J.College Jalgaon

MEMORANDUM OF UNDERSTANDING BETWEEN THE INDIAN INSTITUTE OF
GEOMAGNETISM, NAVI MUMBAI AND NORTH MAHARASHTRA
UNIVERSITY, JALGAON

PREAMBLE:

The Indian Institute of Geomagnetism (IIG) is a premier autonomous national research centre under the Department of Science and Technology (DST), Govt. of India. The Institute is involved in research in different areas of geomagnetism, upper atmospheric physics and solid earth geomagnetism. The main aim of geomagnetic studies is to identify changes in geomagnetic field which is then used for understanding the internal structure of the Earth, near-Earth space and solar terrestrial interaction.

The North Maharashtra University (NMU) is a leading academic organization engaged in the pursuit of higher learning, teaching and research. The School of Environmental and Earth Sciences is actively involved in teaching and research in multidisciplinary areas such as geo-environmental aspects, groundwater assessment, geo-medical hazards, geochemical studies, GPS and GIS studies etc.

7. Arbitration:

Any dispute or difference arising between the parties shall be referred to the Director, IIG and the Registrar, NMU or any other person mutually acceptable to them. Their decision in the matter shall be final.

In witness whereof, the parties hereto have executed this MoU through their authorized representatives.

1. Preamble

The collaborations between universities and other organizations is the need of the day to fulfill mutual, societal and national interests. This also helps to increase the academic standards and reduce the technology gap between academic deliberations in the universities and technological developments in the institutes and industries. The university-industry collaboration provide platform to train the students to meet the requirements of the user groups. There is an urgent need to establish close collaboration between universities and industries to provide solutions to the general problems like:

- difficulty faced by graduates in the job market,
- unsuitability of traditional courses for research, organizational and industrial purpose,
- insensitiveness or ignorance of academics about specific problems facing by organizations,
- not keeping pace with the introduction of new technologies and the scope for universities to seek new resources
- Paucity of practical training and exposures to students and teachers.
- Signify the urgent need to establish close collaboration between university, institutions and industry in research, data development, organization of research and social gatherings etc.

In addition to this the universities and institutes can collaborate inter disciplinary and multi-specialized projects sponsored by different funding agencies as a part of intellectual and social necessity and such other situation demands.

Therefore North Maharashtra University and Department of Geology, ZB Patil College, Dhule an affiliated college of the University, is committed to go for MoUs with like minded organizations and institutes.

North Maharashtra University, Jalgaon

North Maharashtra University is engaged in conducting teaching, research and training leading to the award of Post Graduate and Doctoral Degrees in the faculties of Science, Technology, Informatics, Law and Management.

In University the geo scientific work is being carried out in the School of Environmental and Earth Sciences in the form of MSc in Applied Geology and hence takes lead in collaborative programs being taken up under this MoU.

The Applied Geology course of The School of Environmental and Earth Sciences, of this University established in the year 2007 and the School was established in 1999. At present the school is engaged in conducting teaching, research and training leading to the award of Post Graduate and Doctoral Degrees in Applied Geology, Applied Geography and Environmental Sciences. The faculty has developed expertise in Geological mapping, geophysical exploration, geochemical modeling, Geographical information systems, Environmental aspects such as pollution assessment, control technologies, land use planning, sustainable development etc. The school is equipped with instruments like AAS, Gas chromatographs, Ion Exchange, HPLC, Resistivity Meter(SSR-MP-AT-S), Advanced Microscopes, Air Quality Monitoring Instruments etc used for geophysical and geochemical exploration and surveying equipment, environmental monitoring infrastructure to cater the training needs of the students. The school also possesses the software for resistivity data analysis, Rock work software, Air quality data analysis, groundwater modeling along with data presentation and computational software and GIS packages like IDRISI and MAP INFO 9.5.

The course gives special emphasis on Geohydrology, groundwater exploration, management and utilization, water quality and air quality monitoring in its syllabi.

Department of Geology, ZB Patil College, Dhule

This department was established in 1984 with three staff members. Area of specialization for teaching and research is Sedimentology, Hydrogeology and Environmental Geology.

The college is now recognized as the College with Potential for Excellence (CPE) by UGC, New Delhi of which the Department of Geology is one of the Star department.

The department is doing consultancy and extension work: Since 1987 giving sites for locations of wells and bore wells to farmers. The department has also carried out Projects on District Disaster Management Action Plan, Dust and Vehicular Pollution, Palaeochannel, Surface and groundwater pollution studies, Man and Environment etc, and have also organized National conference on Applications of Geomicrobiology, Groundwater and Watershed Development, Environment, Ergonomics and Epistemology.

Groundwater Surveys and Development Agency (GSDA), Government of Maharashtra

Groundwater Surveys and Development Agency (GSDA) is a Government of Maharashtra organization, reputed at national level for exemplary work in the field of groundwater in Deccan Trap (Basalt). It is one of the nation's leading institutions concerned with groundwater surveys, exploration, assessment, monitoring, development, management and regulation of groundwater resources for irrigation, drinking and industrial needs. It is also concerned with training, research and consultancy for the planning, development and management of groundwater. GSDA has authentic, voluminous and valuable historical data on groundwater resources in Deccan Trap, Metamorphic, Sedimentary and Alluvial formations for past 37 years.

Offices of GSDA

- 1 Directorate- State Level at Pune
2. Deputy Director - At Regional Level - Pune, Konkan, Nashik, Aurangabad, Amravati, Nagpur
3. Senior Geologist / Dy. Engineer Offices - District level

Mandate

Traditionally, GSDA is entrusted with the mandate of developing and disseminating technologies monitor and implement national and state policies for the scientific and sustainable development and management of groundwater resources. Importantly, GSDA conducts village wise systematic Hydrogeological investigation under various institutionally financed and housing schemes. It also collects, evaluates, interprets, processes and disseminates data on water level and water quality to the end users. It also undertakes periodic ground water assessment in order to regulate the ground water use and guide ground water developmental activities on scientific basis. GSDA also works towards ensuring sustainability of ground water resources, on a long-term basis. It acts as a custodian, for the implementation of ground water legislation, within the State of Maharashtra.

Strength

GSDA has a fully equipped and trained multi-disciplinary manpower. It has a team of 2200 professional and support staff in various fields. GSDA's manpower consists of Hydro-geologists specialized in remote sensing & GIS, chemists, cartographers, field surveyors with computer knowledge. GSDA has a separate Engineering wing and Geophysical expertise in groundwater development, management, protection and artificial recharge techniques. The data set compiled by GSDA includes groundwater and geological maps on 1:10,000 scales for 25,000 villages of Maharashtra. Digital database in forms of GIS layers are available for the entire State of Maharashtra. State-of-the-art Remote-sensing products and interpreted maps are available for most of the habited villages of the State. In addition, GSDA has got APT data to determine the aquifer parameter for 7,000 tests conducted in various rock formations of Maharashtra. A strong network of 4,000 observation wells and 1150 piezometers provides water level data that has been collected for over 32 years. Groundwater quality database is built around 70,000 samples, each analyzed for various parameters like pH, E.C., hardness, chloride, calcium, sodium, potassium, sulphate, nitrate and minor elements like fluoride and iron

Infrastructure

GSDA is fortunate to have the best equipment possible in the field of water resources. GSDA has a fleet of D.T.H., Rotary and in-well rigs to carry out drilling in hard rocks, alluvium and in existing dug wells respectively. Besides these, hydro-fracturing unit to rejuvenate poor yielding bore wells are stationed at the six regional headquarters of the State. GSDA's own Level II- Chemical Lab in Pune region and Level II Chemical Lab each of the 5 divisions of Maharashtra with sophisticated instruments caters to the ever-increasing quality issues. Latest generation computers and sophisticated dedicated software is available in all 33 districts and at state level. Sophisticated geo-physical instruments, which include resistivity meter, VLF wadi, seismic unit and digital logger, are also available with GSDA

Role of GSDA

Almost 80% of the drinking water sources are groundwater dependent and majority of these sources are within the recharge and storage areas. The groundwater resource being space, time and depth specific, the sustainability of groundwater dependent drinking water sources is of utmost importance for the State. Accordingly, Government has decided to give priority to the source

sustainability. Hence the role of GSDA is very important in the drinking water of the State.

Since the last 38 years, G.S.D.A. is engaged in the development and management of groundwater resources in the State through various schemes. The main aim is to provide safe and potable drinking water to the community.

Subject: Bosch Vocational Training "BRIDGE" Program

Dear Dr. Pawar

This has reference to your letter, dated 27/07/2018 expressing interest to conduct the Bosch BRIDGE Program in your institute. At the outset, we thank you for your interest in this initiative.

We would like to reiterate the following for the clarity in understanding.
You have agreed to the following:

1. Provide one classroom with seating capacity of 25 students with requisite furniture and equipment. This includes Chairs, Projector, White Board, White Board Marker and Computer with internet connection. Bosch will not provide any financial support for either constructing or maintaining the infrastructure.
2. Provide one Computer lab with minimum 10 computers in working condition with internet facility, at least for one hour daily.
3. Mobilise 25 students per batch as per defined criteria of BRIDGE Program(drop outs from education system, min 10th pass ; Age group: 18 – 25 years)
4. Run the course by charging the fee from the students (Minimum being Rs. 2,500/- & Maximum up to Rs. 10,000/- per student) not depending on any funding from Bosch or any other organisation/Government.
5. Appoint BRIDGE trainer at your own cost. The selection of trainer will be in consultation with Bosch representative (CV of the Trainer to be shared within 2 days from receiving this letter)
6. No modification of the course module, duration or any training methodology to be undertaken without the prior written permission of Bosch Limited.
7. Provide Safety and Security to the Trainees during class timings.
8. It is likely that the program will be implemented through an Implementation Partner who will be identified by Bosch.
9. The details of the partner who is responsible for the area to which your center belongs to, will be intimated through a separate communication along with the details of the terms and conditions for the same, as soon as the Implementation Partner is identified and allocated.
10. The BRIDGE center (your institute) is expected to support completely by providing requisite data and access to the proposed Implementation Partner to ensure the objectives of BRIDGE program are regularly met.

Sheet

To run this program successfully in your institution, we would offer following support:

1. Bosch will provide course completion Certificate to those students who successfully complete the program as per attendance criteria defined by Bosch and upon their successful passing of the assessments.
2. Bosch has designed exclusive Train the Trainer (TTT) Program and agrees to provide training to one designated Trainer who will conduct BRIDGE program. The cost of training, lodging, boarding and also the "Training The Trainer" fee will be borne by the BRIDGE training partner on actuals. The cost of training fee will be informed by Bosch, subsequently.
3. Bosch will provide Learners' Kit to every registered student. These kits will be given Free to students enrolled in the batches completed on or before 30/04/2019.
4. Bosch will support in providing Job Placement Assistance to the students who successfully complete the program, however, selection of students completely depends on student's merit, job selection criteria, and type of job opening. Decision of concerned Employer will be final and binding on the job seeker (No jobs in Bosch or its ancillaries.)

Though you have confirmed the above and that you have understood the objectives and key features of Bosch BRIDGE program, we would like to reiterate that, the program is meant for under-privileged unemployed, school / college dropout candidates in the age group of 18 to 25 years. BRIDGE program is to be run by you, without any change in branding/logo on such printed materials like books, uniforms or any other collateral supplied by Bosch.

This offer is valid up to completion of BRIDGE batches on or before 30/04/2019. Based on your center's performance of the batches completed up to 30/04/2019., Bosch will decide on future arrangements, whether to continue BRIDGE program in your center or otherwise. Please note that Bosch decision in this regards shall be final and binding.

In the event of either Bosch or your Institution decides to terminate this arrangement before 30/04/2019, it shall do so by providing the non-terminating Party with a written notice of TWO months.

Thanking you,

Yours faithfully,

(Hereinafter referred to as the 'University')**

1. Preamble

The collaborations between universities and other organizations is the need of the day to fulfill mutual, societal and national interests. This also helps to increase the academic standards and reduce the technology gap between academic deliberations in the universities and technological developments in the institutes and industries. The university-industry collaboration provide platform to train the students to meet the requirements of the user groups. There is an urgent need to establish close collaboration between universities and industries to provide solutions to the general problems like:

- difficulty faced by graduates in the job market,
- unsuitability of traditional courses for research, organizational and industrial purpose,
- insensitiveness or ignorance of academics about specific problems facing by organizations,
- not keeping pace with the introduction of new technologies and the scope for universities to seek new resources
- Paucity of practical training and exposures to students and teachers.
- Signify the urgent need to establish close collaboration between university, institutions and industry in research, data development, organization of research and social gatherings etc.

In addition to this the universities and institutes can collaborate inter disciplinary and multi-specialized projects sponsored by different funding agencies as a part of intellectual and social necessity and such other situation demands.

Therefore North Maharashtra University and Department of Geology, ZB Patil College, Dhule an affiliated college of the University, is committed to go for MoUs with like minded organizations and institutes.

North Maharashtra University, Jalgaon

GSDA has a fully equipped and trained multi-disciplinary manpower. It has a team of 2200 professional and support staff in various fields. GSDA's manpower consists of Hydro-geologists specialized in remote sensing & GIS, chemists, cartographers, field surveyors with computer knowledge. GSDA has a separate Engineering wing and Geophysical expertise in groundwater development, management, protection and artificial recharge techniques. The data set compiled by GSDA includes groundwater and geological maps on 1:10,000 scales for 25,000 villages of Maharashtra. Digital database in forms of GIS layers are available for the entire State of Maharashtra. State-of-the-art Remote-sensing products and interpreted maps are available for most of the habited villages of the State. In addition, GSDA has got APT data to determine the aquifer parameter for 7,000 tests conducted in various rock formations of Maharashtra. A strong network of 4,000 observation wells and 1150 piezometers provides water level data that has been collected for over 32 years. Groundwater quality database is built around 70,000 samples, each analyzed for various parameters like pH, E.C., hardness, chloride, calcium, sodium, potassium, sulphate, nitrate and minor elements like fluoride and iron

Infrastructure

GSDA is fortunate to have the best equipment possible in the field of water resources. GSDA has a fleet of D.T.H., Rotary and in-well rigs to carry out drilling in hard rocks, alluvium and in existing dug wells respectively. Besides these, hydro-fracturing unit to rejuvenate poor yielding bore wells are stationed at the six regional headquarters of the State. GSDA's own Level II- Chemical Lab in Pune region and Level II Chemical Lab each of the 5 divisions of Maharashtra with sophisticated instruments caters to the ever-increasing quality issues. Latest generation computers and sophisticated dedicated software is available in all 33 districts and at state level. Sophisticated geo-physical instruments, which include resistivity meter, VLF wadi, seismic unit and digital logger, are also available with GSDA

Role of GSDA

Almost 80% of the drinking water sources are groundwater dependent and majority of these sources are within the recharge and storage areas. The groundwater resource being space, time and depth specific, the sustainability of groundwater dependent drinking water sources is of utmost importance for the State. Accordingly, Government has decided to give priority to the source

sustainability. Hence the role of GSDA is very important in the drinking water of the State.

Since the last 38 years, G.S.D.A. is engaged in the development and management of groundwater resources in the State through various schemes. The main aim is to provide safe and potable drinking water to the community.

 - f. To maintain daily attendance of students.
 - g. To attend few classes as an observer and provide feedback to FINSERV about the training quality.
 - h. To ensure discipline and good conduct from the students.
 - i. To support FINSERV team to conduct CPBFI HR Workshop for every batch.
 - j. To submit required college information as per Annexure 3 to FINSERV coordinator.
- iv. The PARTNER INSTITUTE shall issue an appointment letter to the Coordinator as per format prescribed in Annexure 4 of this MOU. The PARTNER INSTITUTE shall submit the appointment letter, duly authorized by the Principal of the PARTNER INSTITUTE and accepted by the Coordinator, to FINSERV before commencement of every CPBFI Batch.
- v. FINSERV shall be responsible to design and continuously improve the CPBFI programme structure, including adding or deleting courses, changing pedagogy or modifications to the programme duration.

- vi. FINSERV shall be responsible to arrange faculty, with requisite expertise and experience, through any of its CPBFI Official Training Partners. FINSERV shall provide necessary details of the concerned CPBFI Official Training Partner to the PARTNER INSTITUTE at least 2 weeks before start of every batch.
- vii. FINSERV and the PARTNER INSTITUTE, shall be responsible for award of "Certificate of Completion" at the completion of CPBFI to all successful candidates who meet eligibility criteria viz. requisite attendance and credits in the examinations conducted during CPBFI.
- viii. FINSERV, as part of its CSR, shall bear the full cost of faculty deployed by its CPBFI Official Training Partner, to ensure that CPBFI is affordable to students belonging to economically weaker sections of the society.
- ix. FINSERV along with its chosen academic partner/s, shall conduct an online examination at the end of CPBFI. Only students who pass this examination shall be eligible to receive the "Certificate of Completion". This examination shall be in addition to all other examinations conducted by the CPBFI Official Training Partner during CPBFI.
- x. The PARTNER INSTITUTE shall display the FINSERV name and logo prominently in all marketing and publicity material, notices for students and all other internal and external communications, in paper form or otherwise, relating to CPBFI.
- xi. Any other use of FINSERV brand names by the PARTNER INSTITUTE shall require prior written consent from FINSERV.
- xii. The PARTNER INSTITUTE shall provide to FINSERV, necessary information about all the students of CPBFI, in the format specified by FINSERV in Annexure 1. FINSERV shall be free to contact the students directly for the purpose of monitoring the impact of CPBFI and the career progression of students.
- xiii. The PARTNER INSTITUTE shall not conduct CPBFI or a programme with identical course structure except in partnership with FINSERV.
- xiv. The PARTNER INSTITUTE shall be solely responsible to comply with regulations of University Grants Commission or any other authority regulating educational activities in India. The PARTNER INSTITUTE agrees that FINSERV shall not have any liability including monetary or otherwise, in the event of any regulatory action taken against the PARTNER INSTITUTE in respect of conducting this programme. The PARTNER INSTITUTE agrees to fully compensate FINSERV in case an action is taken against FINSERV by any such regulatory authority in respect of conduct of CPBFI by the PARTNER INSTITUTE under this MOU.
- xv. The PARTNER INSTITUTE shall be solely responsible for payment of GST or any other taxes that may be applicable, in respect of fees collected by the PARTNER INSTITUTE for CPBFI and FINSERV shall not have any liability towards the same. The PARTNER INSTITUTE agrees that FINSERV shall not have any liability, monetary or otherwise, in the event of any action is taken against the PARTNER INSTITUTE by any tax authorities. The PARTNER INSTITUTE agrees to fully compensate FINSERV in case any action is taken against FINSERV by any such tax authority in respect of conduct of CPBFI by the PARTNER INSTITUTE under this MOU.
- xvi. The PARTNER INSTITUTE shall submit the information specified in Annexure 3 before commencement of every batch to FINSERV.

4. Batch Strength:

The parties agree that, each batch shall consist of minimum 30 and maximum 45 students. FINSERV and the PARTNER INSTITUTE may mutually decide to start a batch with less than 30 students.

5. Term of the MOU:

The term of this MOU is for 3 years commencing from December 1, 2019, except Clause 3(xiii) and Clause 14, which shall continue to be in force for a further period of 3 years from the date of termination of this MOU. The parties may decide to further extend the term of this MOU by mutual consent on such terms and conditions as may be agreed between them.

6. Course fees:

- i. PARTNER INSTITUTE shall charge a non-refundable fee of Rs. 1,000 (Rupees one thousand only) to each of the students of CPBFI towards the course fees inclusive of GST and other taxes. The fee payable by each student shall not be less than Rs. 1,000 (Rupees one thousand only) plus applicable taxes and shall not exceed Rs. 3,000 (Rupees three thousand) plus applicable taxes. The fees specified here shall be valid for two years from signing of this MOU. The fees shall be reviewed on completion of this period and parties may mutually agree to revise the same from time to time.
- ii. On successful completion of every batch i.e. If the overall attendance of the students is in excess of 75%, FINSERV shall pay an amount of Rs. 500 (Rupees Five Hundred only) per student to the PARTNER INSTITUTE as a fee subsidy. The PARTNER INSTITUTE may utilize this amount to remunerate the coordinator and other staff members for their effort towards successful conduct of CPBFI Batch. The fee subsidy shall be paid by FINSERV within 2 weeks from completion of every batch and submission of bank account information as per Annexure 3. The method for calculating the overall attendance is included in Annexure 2.
- iii. The PARTNER INSTITUTE shall ensure that no student shall be allowed to attend CPBFI without paying the full fees.
- iv. The PARTNER INSTITUTE shall submit to FINSERV, before commencement of any batch, extracts of bank statement or copies of cash receipts or a letter from the Principal or Vice-Principal confirming collection of fee from every participant.

7. Duration and contents of CPBFI:

- i. CPBFI shall commence from January 2020. The said Programme will be of about 8-week duration and will involve class room teaching of about 120 hours.
- ii. The PARTNER INSTITUTE has agreed to mobilize, on best effort basis, at least 40 students in first academic year and at least 80 students from second academic year onwards. The PARTNER INSTITUTE shall decide the batch schedule and timings and inform the schedule to FINSERV at least 45 days before commencement of the batch.
- iii. FINSERV shall arrange to make the faculty available as per the schedule informed by the PARTNER INSTITUTE.
- iv. Detailed schedule of the lectures and practical shall be given in advance to students before commencement of CPBFI.

8. Place of teaching:

- i. The class room teaching and practical shall be conducted at Zulal Bhilajirao Patil College, Dhule, by the CPBFI Official Training Partner, for up to four hours a day on such days, dates and at such timings as may be mutually decided between the parties.

9. Eligibility for CPBFI:

- i. Any student who is studying in the final year of Graduation Programme or pursuing any post-graduation programme shall be eligible to apply for admission to CPBFI.
- ii. Additionally, any fresh graduate i.e. a graduate with less than 2 years of work experience or no work experience, shall also be eligible to apply for admission to CPBFI.
- iii. Only candidates who have scored 50% or more marks in their final year graduation examination shall be eligible. In case of final year students, the marks scored by them in the second-year examination shall be considered to decide their eligibility.
- iv. Only candidates who are less than 27 years old, on the date of application, are eligible to apply for admission to CPBFI.
- v. The PARTNER INSTITUTE shall select the final list of candidates for admission based on the criteria mutually agreed upon by the PARTNER INSTITUTE and FINSERV from time to time.

10. Discipline and right to expel:

- i. The students of CPBFI shall be subject to rules of discipline/code of conduct of the PARTNER INSTITUTE during course period.
- ii. If the concerned CPBFI Official Training Partner observes a breach of code of conduct by any student, it shall immediately report the same to the CPBFI Coordinator for necessary action.
- iii. If any participant commits breach of code of conduct of the PARTNER INSTITUTE, the faculty shall have full authority to expel such student for the remaining duration of CPBFI.

11. Faculty:

- i. FINSERV shall be solely responsible for arranging, through a CPBFI Official Training Partner, faculty, with requisite industry and teaching experience, and conducting CPBFI efficiently and effectively. The PARTNER INSTITUTE shall not be responsible for making any payments to the faculty of the CPBFI Official Training Partner.
- ii. Some of the lectures of CPBFI may be conducted by the experts from FINSERV as per the understanding between the parties. However, the PARTNER INSTITUTE shall not be liable to pay any amounts to FINSERV towards the said lectures and no amounts shall be deducted from the amounts payable to the PARTNER INSTITUTE.

12. Certification:

FINSERV and the PARTNER INSTITUTE shall issue a "Certificate of Completion" in "Certificate Programme in Banking, Finance and Insurance" to the eligible students. The certificates shall be printed by FINSERV and shall carry the logos of FINSERV, the PARTNER INSTITUTE and the concerned CPBFI Training Partner.

13. Further Agreements:

The parties agree that, they may mutually discuss and enter into further agreements, if needed.

14. Confidentiality:

- i. The Parties agree to maintain strict secrecy and confidentiality regarding any and all Confidential Information exchanged or to be exchanged between them in relation to this MOU.
- ii. The PARTNER INSTITUTE agrees that all the course material provided by FINSERV or the CPBFI Official Training Partner, including but not limited to CPBFI structure, curriculum, lesson plans and evaluation methods, shall be deemed to be Confidential Information.
- iii. The PARTNER INSTITUTE agrees that any of FINSERV's technical or business or other information including information given for development of any case studies / development of any program modules / contents, made available by FINSERV or its personnel to the PARTNER INSTITUTE shall be deemed to be Confidential Information.
- iv. The PARTNER INSTITUTE agrees to restrict access and disclosure of Confidential Information to such of their employees, agents, vendors, and contractors strictly on a "need to know" basis, to maintain confidentiality of the Information disclosed to it in accordance with this clause.
- v. Information and material disclosed and provided by each party to the other party in pursuance of or in connection with performance of its obligation under this MOU shall, at all times, remain the sole and exclusive property of the disclosing Party.

15. Intimation about cancellation/postponement of CPBFI:

- i. If due to any cogent reasons, it appears to the PARTNER INSTITUTE that it is unable to arrange any batch as per schedule, the PARTNER INSTITUTE shall intimate about its inability to FINSERV at least 30 days in advance and the parties shall decide further schedule of CPBFI by mutual consent.
- ii. However, if such postponement or cancellation is necessitated due to any last minute, unforeseen and unavoidable circumstances like Act of God, civil commotion, strike, bandh, disruption of traffic, epidemic, war, aggression, change in Government Policy or any other similar circumstances, the PARTNER INSTITUTE shall intimate the change in schedule as early as possible after such circumstances as stated above have arisen. In such circumstances, the PARTNER INSTITUTE shall not be held liable for payment towards any loss or damages caused to FINSERV due to delay in its schedule.
- iii. If for any reason, FINSERV, decides to discontinue support for CPBFI, it shall give a written notice to the PARTNER INSTITUTE, 30 days in advance. Such notice shall not impact any batch which is already in progress on the date of notice and the terms of this MOU shall continue to apply to the running batches.

16. Amendment/Termination:

- i. Any amendment to the terms of this MOU can only be made by mutual consent of the parties.
- ii. This MOU may be terminated by either party, for breach of terms and conditions of the present MOU or otherwise, by a written notice of at least one (1) month in advance. Such notice of termination shall not interfere with the batches underway at the relevant time. Such batches shall be allowed to continue until their conclusion.
- iii. Both the parties agree that Finserv shall have the right of terminating this MOU without any notice to the PARTNER INSTITUTE, if the PARTNER INSTITUTE charges a fee exceeding the amount prescribed under Clause 6(i) of this MOU. In such event, the batches underway at the relevant time, may also be terminated by FINSERV, unless the PARTNER INSTITUTE refunds the excess fee charged to every student of the batch.

17. Applicable Law and Dispute Settlement:

- i. This MOU shall be governed by the Laws of India.
- ii. Any dispute arising between the parties in connection with or arising out of the performance of mutual obligations under this MOU shall be resolved by mutual discussion and consultation. If the dispute remained unresolved even after 30 days, then the dispute shall be referred to Dr. Panjabrao Harchand Pawar, Principal, Zulal Bhilajirao Patil College and Mr. V. Rajagopalan, President (Legal and Taxation), Bajaj Finserv Limited. The decision of Dr. Panjabrao Harchand Pawar and Mr. Rajagopalan shall be final and binding on both parties.

18. Originals:

This MOU is executed in counterparts, each of which shall be deemed to be original and retained by each of the Parties but together they shall constitute one and the same MOU.

IN WITNESS WHEREOF, the Parties hereto have put their hands the day, month and the year first hereinabove mentioned.

Annexure 2: Methodology for Calculating Overall Attendance of the Batch

The steps and formula for calculating overall attendance are as under.

1. Enrollment: Number of students who have registered and paid fees for CPBFI
2. Drop outs: Number of students who stopped attending CPBFI during the batch
3. Regular students: Enrollment minus Drop Out
4. Total available student days: Number of regular students multiplied by total duration of CPBFI (number of days. E.g. 40 days)
5. Actual student days: Sum of days attended by each regular student.
6. Overall attendance (%) = Actual Student Days / Available Student Days X 100

Example: In a CPBFI batch 43 students registered and paid fees. By end of first week 3 students stopped attending the batch. The batch was conducted for 40 days. Out of the 40 regular students - 10 attended every class, 15 attended for 35 days, 10 attended for 33 days and 5 attended by 30 days. Overall attendance will be calculated as under.

Enrollment: 43

Drop-out: 3

Regular students: 40

Available days: 40 X 40 i.e. 1600

Actual days: $(10 \times 40) + (15 \times 35) + (10 \times 33) + (5 \times 30) = 400 + 525 + 330 + 150 = 1405$

Overall attendance: $(1405 / 1600) \times 100 = 87.81\%$

National Remote Sensing Center (NRSC)-
NAGPUR, 440033, INDIA

Subject : MOU Regarding Lightning Detection System.

As Per Your Mail regarding lightning detection system (LDS) , we are thankful to you for the proposal, which is really useful for the society and our researchers in various aspects.

As per your proposal details we are ready to provide you the required necessary facilities to install a detector at our center for continuous and long term data collection. The details of which are as follows:

- i) Secure roof top area of 5ft x 5ft for installing antenna
- ii) Provision for data logging computer space inside the building,
- iii) UPS power supply and internet connection for real-time data transfer.

On your side you are ready to provide the lightning detection system (LDS), a dedicated PC, tripod for fixing the antenna, few pipes for cables and connections with insulation powder to each station along with financial support.

You can dispatch the system in the name of principal Dr. P.H. Pawar, JET's Z.B. Patil College, Deopur, Dhule. -424002.

Thanks and best regards.

Yours faithfully,

(Dr. P.H. Pawar)

Mémorandum of Understanding

This Memorandum of Understanding (hereinafter called the "MoU") is made on the day of 17th March 2020, between the National Remote Sensing Centre (NRSC), Indian Space Research Organisation (ISRO), Department of Space, Government of India (hereinafter called the 'NRSC') as the 1st party and Zulal Bhilajirao Patil College as the second party

NOW THEREFORE, the parties hereto hereby agree as follows:

1. Category :		2. Project ID :	
3. Project Title :	Detection of lightning phenomena and associated processes and its nowcasting		
4. MOU Title:	Installation of lightning detection system, monitoring & investigations on lightning phenomena and its associated processes		
5. Start Date :		6. End Date :	
7. Principal Investigator Name :	Dr. Alok Taori	8. Area/Group	Regional Remote Sensing Centre-Central, NRSC, NAGPUR - 440033 Cell: 091-7382685983
9. Nature of MoU : Technical Support			

1.0 Preamble

NRSC

National Remote Sensing Centre (NRSC) is one of the primary centres of Indian Space Research Organisation (ISRO), Department of Space (DOS). NRSC has the mandate for establishment of ground stations for receiving satellite data, generation of data products, dissemination to the users, and development of techniques for remote sensing applications including disaster management support, geospatial services for good governance and capacity building for professionals, faculty and students.

ZulalBhilajiraoPatil College (Second Party)

ZulalBhilajiraoPatil College formerly known as Jai Hind Arts, Science and Commerce College affiliated to the University of Pune was established in June 1982 later it was affiliated to North Maharashtra University, Jalgaon established on 15th Aug. 1990. In 1982 the student strength was just 250 and today the college stands in a multi-storied, majestic building providing education to more than two thousand and eight hundred students. Z. B. Patil College, Dhule located in the remotest part of Maharashtra, shares its borders with Gujarat and Madhya Pradesh. Being predominantly a tribal and rural area, it is economically and industrially backward. In this arid land, ZulalBhilajiraoPatil (Jai Hind) College has created an oasis of quality education with a mission to mobilize student's strength for a healthy democracy. This is undertaken by inculcating the values of leadership, creativity, aesthetics, citizenship and healthy respect for life and nature. Within a short period the College came to be known for its academic excellence and has established "Jai Hind" as brand name

Purpose/Need for MOU

To expand LDS network with the active support from ZulalBhilajiraoPatil College.terms of installations of LDS system at ZulalBhilajiraoPatil College premises, collection of data, maintenance of the LDS system, dissemination of the data to NRSC and utilisation of the lightning data for scientific use.

4. Date of Signing, Effective Date and Duration of MoU

a. Date of signing

The date of signing in MOU shall be the date on when both parties sign the document.

b. Effective date

The effective date of MOU is the date of signing the MoU or from the date the funds are transferred whichever is later.

c. Duration of MoU: One Year. May be extended to 2 or more year further with mutual consent

d. Project Start Date: Start date is the date of Signing of MOU.

5. Scope of Work

The scope of overall project is to study the atmospheric lightning and its associated phenomena. However, the scope of present MOU is to install the LDS at the premises of host institute and up keeping of the LDS with suitable infrastructure support by the host, data collection, analysis and raw data dissemination to NRSC.

6. Methodology

- Operationalisation of LDS with automated data recording.
- Transfer of data to NRSC using the static IP for the LDS computer system.
- Archiving and analysis of diurnal, seasonal and inter seasonal cycles of lightning data.

7. Deliverables & Specifications

Second party will deliver the following to First Party

- Maintain the installed LDS in functional condition.
- Data base of lightning occurrences with their classifications.
- Data transfer to NRSC.

8. Data Holding

- a. NRSC will receive and hold the data.
- b. The 2nd party acquires and carries out near real time data analysis.
- c. The 2nd party transfers real time data and products to the first party.

9. Applicable documents (specify whichever is applicable)

- i. Project Proposal
Attached for reference
- ii. User Approval
Will be made available for the second party
- iii. Statement of work
Furnished in the proposal (attached)

- iv. RSDP Policy
Conformity with RSDP, 2011
- v. Any other document
Nil

10. Guidelines on data / Map security

- Approval of competent authority of NRSC is required for sharing data with 3rd party.

11. Responsibilities

- a. First party(NRSC)
 - NRSC will ensure the LDS system supplied are technically suitable.
 - Developing technique for now-casting of lightning occurrences.
- b. Second Party
 - Regular monitoring on the functioning of LDS unit and report to the first part on any short coming.
 - Maintenance of the LDS and power supply with UPS for the above project work.
 - Providing a static IP for the LDS system operational computer.
 - Extend logistics to NRSC scientists during the maintenance, inter-sensor calibrations etc...
 - Submit half yearly utilization certificate (April to September and October to March) for funds provided by NRSC with justifications.

12. Activity Schedule

Year 2019 (First year)	2020 – 2024 (2 nd year onwards)
<ul style="list-style-type: none"> • LDS installation & Configuration of LDS units • Data collection, storage/ archival & transfer of data • Regular monitoring of the LDS unit • Reporting the short comings, if any • Participation in capacity building and outreach activities. 	<ul style="list-style-type: none"> • Data collection, storage/ archival & transfer of data • Regular monitoring of the LDS unit • Reporting the short comings, if any • Participation in capacity building and outreach activities.

13. Consideration and Schedule of prices :

- Delivery of LDS by November, 2019.
- Installation and testing of sensors shall be completed by December, 2019.
- Acceptance test and evaluation will be completed by February, 2020.

14. Funding Terms and Conditions of Payment

- The funds will be made available through National Information system for Climate and Environment Studies (NICES) programme of NRSC.
- The collaborators fund towards the management, maintenance and technical support for the above identified tasks is estimated to be **Rs.1.0 Lakh per annum**.
- First half yearly instalment will be provided after the MoU is signed by both the parties and subsequent instalments will be released subjected to receipt of utilization of funds, till closure of the project.

15. Training

- Suitable training towards the equipment maintenance, operation will be provided to the identified persons of the 2nd party by the 1st party.

16. Warranty

- The warranty of the equipment will be covered by NRSC.

17. Project Monitoring

- Monthly monitoring of the project activities will be carried out by PI, LDS project and report to the Programme Director, NICES.
- Quarterly monitoring of the project will be carried out by PD, NICES and will be presented in the PMC meeting.

18. Confidentiality

"All information and documents to be exchanged pursuant to the Memorandum of Understanding will be kept confidential by the Parties and will be used subject to such terms as each Party may specify. The Parties will not use the information for purposes other than that specified, without the prior written consent of the other Party.

All the parties will maintain utmost confidentiality in data sharing. During the tenure of the MoU and thereafter both Partners undertake on their behalf and on behalf of their employees/representatives/associates to maintain strict confidentiality and prevent disclosure thereof all the Information and data exchange/ generated pertaining to work, under this agreement/MOU.

Lawson

All Confidential Information shall remain the exclusive property of the disclosing Party. The Parties agree that this MoU and the disclosure of the confidential information do not grant or imply any license or interest or right to the Recipient in respect to any intellectual property right of the other Party.

20. Commercialization:

In case of research results obtained through joint activities under this MoU both Parties will apply as co-applicants for the protection of intellectual property rights in India. Commercialization in any other country shall be done jointly through a separate agreement.

21. Publication:

Any Publication, document and/or paper arising out of joint work conducted by the parties on to this MOU will be jointly owned. The publications (research papers, reports etc.,) shall be in the names of research workers, wherein it will be duly acknowledged that the work has been carried out under collaborative programs between the parties. However, the data can be published and shared jointly for scientific publication with mutual consent of both the parties involved in the respective projects. The use of the name, logo and/or official emblem of the parties on any publication, document and/or paper will require prior permission of both the parties. It may however be ensured that the official emblem and logo is not misused.

22. Change in the scope of work / Modifications to MOU

The project is designed and formulated after detailed discussions. However if any change in scope or modifications required, will be done with mutual consent from both the parties and the same will be amended to this agreement/MOU. The modification / changes shall be effective from the date on which they are made, unless otherwise agreed upon.

23. Governing Law and Amendments

This MOU is hereby concluded in terms of understanding of the parties about the law of contract and intended to regulate by relevant applicable laws. However, one of the Parties with the written mutual consent of the other party, in order to facilitate settlement of dispute or implementation of the provision of this contract, may amend provision of this MOU.

24. Force Majeure

Neither party shall be held responsible for non-fulfilment of their respective obligations under the agreement due to the exigency of one or more of the unforeseen events such as but not limited to Acts of God, war, flood, earthquake, strike, lockouts, epidemics, riots, civil commotion etc. provided on the occurrence and cessation of any such events, the party affected thereby shall give a notice in writing to other party within one month of such occurrence or cessation. If the force-majeure

conditions continue beyond six months, the parties shall then mutually decide about the future course of action.

25. Indemnity

Either Party (“Indemnifying Party”) shall indemnify and keep indemnified the other Party (“Indemnified Party”) against any and all claims, direct losses, injuries, liabilities, reasonable costs and expenses, direct damages, actions or proceedings which may be made or taken against the Indemnified Party by any person arising out of any breach, action or inaction of the Indemnifying Party under this agreement. In no event whatsoever, the Indemnifying Party shall be liable to the Indemnified Party for any loss of revenue, loss of profits, rights or services, incidental, indirect or consequential damages arising from or related to this agreement.

26. Arbitration:

In case of any dispute or difference of opinion or interpretation of the MOU arising out of the activities performed under the provisions of this MOU or related document not amicably resolved completely by mutual discussion or consultation between the parties within thirty days (30), the entire matter shall be referred to the Administrative Mechanism for Resolution of CPSEs Disputes (AMRCD) for settlement of any such commercial disputes and the procedure mentioned in the Office Memorandum Dated 22nd May, 2018 and others OM subsequently issued by Department of Public Enterprises, Ministry of Heavy Industries & Public Enterprises shall apply in consonance with applicable Indian laws and public policy.

Pending the submission of and / or decision on a dispute, difference or claim or until the arbitral award is published; the parties shall continue to perform all of their obligations under this MOU without prejudice to a final adjustment in accordance with such award.

27. Jurisdiction

Any dispute arising out of the MOU or the terms shall be subject to the exclusive jurisdiction of Hyderabad in consonance with the provisions of Code of Civil Procedure, 1908 as amended.

28. Termination: (for Cause, Convenience, and Force Majeure)

- a) On completion of MoU duration, as stated in the clause No. 5, the MoU ceases to exist.
- b) During the tenure of the agreement, either Party may terminate and nullify this Agreement/MOU by providing prior written notice of 30days to the other party for any of the reasons – Cause/convenience/Force Majeure.
 - i. Termination for Convenience: For convenience without assigning any reason.
 - ii. Termination for Cause: For the breach of any obligations/responsibilities/conditions of this agreement by the other party, with an opportunity to cure/rectify such a situation within thirty (30) days to the defaulting party and no remedial action is taken to the satisfaction of the aggrieved party.
 - iii. Termination for Force Majeure: in the event of “Force Majeure”
 - iv. Obligations upon Termination
 - v. Following termination or expiration of this Agreement, in addition to any other obligations existing hereunder or otherwise at law or in equity:
 - a) The rights and obligations of the parties thereto shall be settled by mutual discussion; the financial settlement if any shall take into consideration not only the expenditure incurred but also the expenditure committed by the parties hereto.
 - b) The agreement arrived at between the parties hereto for the utilization of the intellectual property (defined in clause #19.0) shall survive the termination of the agreement.

IIG is actively engaged in research in the fields of geophysical studies for groundwater, GPS studies, environmental magnetism etc. Other than the studies related to internal structure of the Earth that requires geological and geophysical background, the Institute has important contribution in the areas of Space Physics and Atmospheric Physics.

It is now proposed to derive mutual benefit of the expertise available at IIG, in the common areas of research with Department of Physics and School of Environmental & Earth Sciences, NMU. The Indian Institute of Geomagnetism and North Maharashtra University arrive at the Memorandum of Understanding (MoU) to work together in future in areas of common research interests. The MoU is extended to the points spelt out in Appendix I. Based on the experience gained, this may later be expanded.

APPENDIX I

1. This MoU comes into effect from the date of its signing and will remain in force initially for five years. Its validity can be extended by mutual agreement of the parties.
2. The progress of the collaboration and output should be reviewed once in a year by the Director IIG and Vice-Chancellor of NMU, alternately at IIG, Navi Mumbai and at NMU, Jalgaon.
3. **Broad Objectives- scientific:**
NMU and IIG hereby agree to collaborate at an academic level in activities related to Space Physics, Environmental and Earth Science endeavors.
4. **Role and Responsibilities of the North Maharashtra University, Jalgaon and IIG, Navi Mumbai:**
 - (a) NMU should recognize IIG as a Research Center as per guidelines of NMU.
 - (b) IIG and NMU shall undertake an academic exchange program in environmental science, physics of earth science, space physics and atmospheric physics and any such investigations that are agreed upon by both the parties. The experimental databases generated are to be used by both the institutes equitable.
 - (c) IIG will help in establishing experiments of mutual interest which will be subsequently maintained by NMU departments in the campus of NMU, Jalgaon and help in literature search as and when it is found necessary by both the parties for smooth running of the collaboration.
 - (d) North Maharashtra University shall make available the required infrastructural facilities such as laboratory space, utilities like water, power, management and administrative support.

(e) Collaborating scientists of IIG and NMU will take part in data acquisition (using IIG facilities at NMU), its analysis and interpretation and publish these research papers under joint authorship. Papers/project reports published using the data collected should acknowledge contributions from NMU and IIG.

(f) IIG academic staff may be invited to NMU as adjunct/visiting faculty to deliver expert lectures on syllabus related topics and topics of current interest in Environment & Earth Science as well as in Space & Atmospheric Physics. Schedule for the same can be finalized by mutual consent.

(g) IIG should encourage the students and research faculties of NMU who would like to work with IIG scientists at IIG campus or at NMU. The project work carried out by the students will be recognized by NMU for respective degrees, viz. M.Sc., M. Tech., M. Phil, Ph.D.

(h) IIG faculties should be able to get recognized as Ph.D. guides in NMU and IIG students should be able to register themselves as Ph.D. students with the registered IIG and NMU guides in all the relevant and overlapping subjects such as environmental science and applied geology.

(i) For Ph.D. students belonging to IIG and NMU, the main guide compulsorily has to be a faculty of the concerned institute. However other faculties of these institutes can be co-guides.

5. MoU and its amendments:

The MoU shall be the sole repository of the terms and conditions agreed to between the parties and in maintaining thereof shall take into effect or be binding on IIG and NMU unless such amendments is authorized by IIG and NMU and is recorded in writing and signed by the representatives of IIG and NMU.

6. Project Monitoring Group:

Technical and administrative liaison shall be maintained between NMU and IIG through a Programme monitoring group to facilitate smooth running of the scientific activities. This group shall consists of,

1. Faculty of IIG as approved by Director of IIG
2. Prof. S.T. Ingle, Director of School of Environmental and Earth Sciences, NMU Jalgaon
3. Dr.S.N.Patil, Reader, School of Environmental and Earth Sciences, NMU Jalgaon
4. Faculty of Department of Geology, Z.B.Patil College, Dhule
5. Faculty of NMU as approved by Honorable Vice-Chancellor, NMU, Jalgaon
6. Faculty of Department of Geology and Geo informatics, M.J.College Jalgaon

MEMORANDUM OF UNDERSTANDING BETWEEN THE INDIAN INSTITUTE OF
GEOMAGNETISM, NAVI MUMBAI AND NORTH MAHARASHTRA
UNIVERSITY, JALGAON

PREAMBLE:

The Indian Institute of Geomagnetism (IIG) is a premier autonomous national research centre under the Department of Science and Technology (DST), Govt. of India. The Institute is involved in research in different areas of geomagnetism, upper atmospheric physics and solid earth geomagnetism. The main aim of geomagnetic studies is to identify changes in geomagnetic field which is then used for understanding the internal structure of the Earth, near-Earth space and solar terrestrial interaction.

The North Maharashtra University (NMU) is a leading academic organization engaged in the pursuit of higher learning, teaching and research. The School of Environmental and Earth Sciences is actively involved in teaching and research in multidisciplinary areas such as geo-environmental aspects, groundwater assessment, geo-medical hazards, geochemical studies, GPS and GIS studies etc.

7. Arbitration:

Any dispute or difference arising between the parties shall be referred to the Director, IIG and the Registrar, NMU or any other person mutually acceptable to them. Their decision in the matter shall be final.

In witness whereof, the parties hereto have executed this MoU through their authorized representatives.

Memorandum of Understanding (MoU)

between

JET's Z. B. Patil College Dhule and Valsad District Co-operative Milk Producers Union (VDCMPU) Ltd. Alipor, Chikhli, Dist-Navsari, Gujrat (Dhule Unit-Vasudhara Dairy),

India

To encourage academic and scientific cooperation the JET's Z. B. Patil College Dhule a recognized academic institute providing education to rural area students for their career growth and future planning

AND

VDCMPU, Alipor, Chikhli, Gujrat (Dhule Unit-Vasudhara Dairy, Dhule), one of the leading industries provide Milk and Milk products, have established an agreement of collaboration and mutual benefits for college faculty/students and industry benefits.

We are willing to have this MoU for academic and scientific collaboration (activities) which can include

- Seek mutual advice and jointly organize workshop/seminars
- Academic writing/industrial-academic study/research visit
- Short term courses, soft skills and professional development
- Short term Internship/ research training
- Material exchange for education and research
- Share research/educational facilities by mutual concerns
- Encourage students/faculty staffs for career enhancing program
- Job/placement/ entrepreneurship opportunities for the students

We are open to more suggestions for the mutual benefits of each other and not limited to the above points. We believe this initiation is highly rewarding educational and scientifically to both of us. Predicting the future is virtually impossible however we hope to have long term collaboration for the benefits of each other.

Both the parties may terminate the MoU upon 30 calendar day's notice in writing.

Durations: This MoU is for 36 months and may be extended by mutual concerns of JET's Z.B. Patil College Dhule and VDCMPU, Alipor, Gujrat Dhule Unit (Vasudhara Dairy), India.

Dear Dr. Alok Taori,
Regional Remote Sensing Centre- Central,
National Remote Sensing Center (NRSC)-
NAGPUR, 440033, INDIA

Subject : MOU Regarding Lightning Detection System.

As Per Your Mail regarding lightning detection system (LDS) , we are thankful to you for the proposal, which is really useful for the society and our researchers in various aspects.

As per your proposal details we are ready to provide you the required necessary facilities to install a detector at our center for continuous and long term data collection. The details of which are as follows:

- i) Secure roof top area of 5ft x 5ft for installing antenna
- ii) Provision for data logging computer space inside the building,
- iii) UPS power supply and internet connection for real-time data transfer.

On your side you are ready to provide the lightning detection system (LDS), a dedicated PC, tripod for fixing the antenna, few pipes for cables and connections with insulation powder to each station along with financial support.

You can dispatch the system in the name of principal Dr. P.H. Pawar, JET's Z.B. Patil College, Deopur, Dhule. -424002.

Thanks and best regards.

Yours faithfully,

(Dr. P.H. Pawar)

Mémorandum of Understanding

This Memorandum of Understanding (hereinafter called the "MoU") is made on the day of 17th March 2020, between the National Remote Sensing Centre (NRSC), Indian Space Research Organisation (ISRO), Department of Space, Government of India (hereinafter called the 'NRSC') as the 1st party and Zulal Bhilajirao Patil College as the second party

NOW THEREFORE, the parties hereto hereby agree as follows:

1. Category :		2. Project ID :	
3. Project Title :	Detection of lightning phenomena and associated processes and its nowcasting		
4. MOU Title:	Installation of lightning detection system, monitoring & investigations on lightning phenomena and its associated processes		
5. Start Date :		6. End Date :	
7. Principal Investigator Name :	Dr. Alok Taori	8. Area/Group	Regional Remote Sensing Centre-Central, NRSC, NAGPUR - 440033 Cell: 091-7382685983
9. Nature of MoU : Technical Support			

1.0 Preamble

NRSC

National Remote Sensing Centre (NRSC) is one of the primary centres of Indian Space Research Organisation (ISRO), Department of Space (DOS). NRSC has the mandate for establishment of ground stations for receiving satellite data, generation of data products, dissemination to the users, and development of techniques for remote sensing applications including disaster management support, geospatial services for good governance and capacity building for professionals, faculty and students.

ZulalBhilajiraoPatil College (Second Party)

ZulalBhilajiraoPatil College formerly known as Jai Hind Arts, Science and Commerce College affiliated to the University of Pune was established in June 1982 later it was affiliated to North Maharashtra University, Jalgaon established on 15th Aug. 1990. In 1982 the student strength was just 250 and today the college stands in a multi-storied, majestic building providing education to more than two thousand and eight hundred students. Z. B. Patil College, Dhule located in the remotest part of Maharashtra, shares its borders with Gujarat and Madhya Pradesh. Being predominantly a tribal and rural area, it is economically and industrially backward. In this arid land, ZulalBhilajiraoPatil (Jai Hind) College has created an oasis of quality education with a mission to mobilize student's strength for a healthy democracy. This is undertaken by inculcating the values of leadership, creativity, aesthetics, citizenship and healthy respect for life and nature. Within a short period the College came to be known for its academic excellence and has established "Jai Hind" as brand name

Purpose/Need for MOU

To expand LDS network with the active support from ZulalBhilajiraoPatil College.terms of installations of LDS system at ZulalBhilajiraoPatil College premises, collection of data, maintenance of the LDS system, dissemination of the data to NRSC and utilisation of the lightning data for scientific use.

4. Date of Signing, Effective Date and Duration of MoU

a. Date of signing

The date of signing in MOU shall be the date on when both parties sign the document.

b. Effective date

The effective date of MOU is the date of signing the MoU or from the date the funds are transferred whichever is later.

c. Duration of MoU: One Year. May be extended to 2 or more year further with mutual consent

d. Project Start Date: Start date is the date of Signing of MOU.

5. Scope of Work

The scope of overall project is to study the atmospheric lightning and its associated phenomena. However, the scope of present MOU is to install the LDS at the premises of host institute and up keeping of the LDS with suitable infrastructure support by the host, data collection, analysis and raw data dissemination to NRSC.

6. Methodology

- Operationalisation of LDS with automated data recording.
- Transfer of data to NRSC using the static IP for the LDS computer system.
- Archiving and analysis of diurnal, seasonal and inter seasonal cycles of lightning data.

7. Deliverables & Specifications

Second party will deliver the following to First Party

- Maintain the installed LDS in functional condition.
- Data base of lightning occurrences with their classifications.
- Data transfer to NRSC.

8. Data Holding

- a. NRSC will receive and hold the data.
- b. The 2nd party acquires and carries out near real time data analysis.
- c. The 2nd party transfers real time data and products to the first party.

9. Applicable documents (specify whichever is applicable)

- i. Project Proposal
Attached for reference
- ii. User Approval
Will be made available for the second party
- iii. Statement of work
Furnished in the proposal (attached)

- iv. RSDP Policy
Conformity with RSDP, 2011
- v. Any other document
Nil

10. Guidelines on data / Map security

- Approval of competent authority of NRSC is required for sharing data with 3rd party.

11. Responsibilities

- a. First party(NRSC)
 - NRSC will ensure the LDS system supplied are technically suitable.
 - Developing technique for now-casting of lightning occurrences.
- b. Second Party
 - Regular monitoring on the functioning of LDS unit and report to the first part on any short coming.
 - Maintenance of the LDS and power supply with UPS for the above project work.
 - Providing a static IP for the LDS system operational computer.
 - Extend logistics to NRSC scientists during the maintenance, inter-sensor calibrations etc...
 - Submit half yearly utilization certificate (April to September and October to March) for funds provided by NRSC with justifications.

12. Activity Schedule

Year 2019 (First year)	2020 – 2024 (2 nd year onwards)
<ul style="list-style-type: none"> • LDS installation & Configuration of LDS units • Data collection, storage/ archival & transfer of data • Regular monitoring of the LDS unit • Reporting the short comings, if any • Participation in capacity building and outreach activities. 	<ul style="list-style-type: none"> • Data collection, storage/ archival & transfer of data • Regular monitoring of the LDS unit • Reporting the short comings, if any • Participation in capacity building and outreach activities.

13. Consideration and Schedule of prices :

- Delivery of LDS by November, 2019.
- Installation and testing of sensors shall be completed by December, 2019.
- Acceptance test and evaluation will be completed by February, 2020.

14. Funding Terms and Conditions of Payment

- The funds will be made available through National Information system for Climate and Environment Studies (NICES) programme of NRSC.
- The collaborators fund towards the management, maintenance and technical support for the above identified tasks is estimated to be **Rs.1.0 Lakh per annum**.
- First half yearly instalment will be provided after the MoU is signed by both the parties and subsequent instalments will be released subjected to receipt of utilization of funds, till closure of the project.

15. Training

- Suitable training towards the equipment maintenance, operation will be provided to the identified persons of the 2nd party by the 1st party.

16. Warranty

- The warranty of the equipment will be covered by NRSC.

17. Project Monitoring

- Monthly monitoring of the project activities will be carried out by PI, LDS project and report to the Programme Director, NICES.
- Quarterly monitoring of the project will be carried out by PD, NICES and will be presented in the PMC meeting.

18. Confidentiality

"All information and documents to be exchanged pursuant to the Memorandum of Understanding will be kept confidential by the Parties and will be used subject to such terms as each Party may specify. The Parties will not use the information for purposes other than that specified, without the prior written consent of the other Party.

All the parties will maintain utmost confidentiality in data sharing. During the tenure of the MoU and thereafter both Partners undertake on their behalf and on behalf of their employees/representatives/associates to maintain strict confidentiality and prevent disclosure thereof all the Information and data exchange/ generated pertaining to work, under this agreement/MOU.

Lawson

All Confidential Information shall remain the exclusive property of the disclosing Party. The Parties agree that this MoU and the disclosure of the confidential information do not grant or imply any license or interest or right to the Recipient in respect to any intellectual property right of the other Party.

Unpublished information, whether oral, in writing or otherwise, discovered or conceived by the scientists or technicians and exchanged under the provisions of this MoU will not be transmitted to a third party, unless otherwise agreed by the Parties.

19. Intellectual Property Rights:

The original information, the methodology adopted, original data, derived data, the originals of any reports and documents or materials prepared or inventions or information produced as a result of the services and all intellectual property rights therein, unless otherwise specifically stated in the MoU, shall be and shall remain property of NRSC. Should the activities under the MoU give rise to intellectual property rights, the Parties shall enter into separate agreement that will specifically provide for ownership management and commercialization of such rights in line with rules and regulations of India

The procedural formalities for securing and maintaining the intellectual property rights (patents/trademarks/copyright) if any, shall be the responsibilities of NRSC and the other party and the expenditure incurred thereof shall be borne by each party equally, consistent with laws, rules and regulations of India. The question of whether or not the intellectual property rights should be secured and the territory where these shall be secured will be decided by the Principal, ZulaBhilajiraoPatil College and Director, NRSC

Parties other than NRSC shall have to consult NRSC to commercially exploit/ use the intellectual property generated in the Projects. In such an event, the fee and royalty and other terms and conditions for the commercial exploitation/ use of the aid intellectual property created in the project shall be decided by NRSC, ISRO for which a separate agreement shall be entered into.

During the work envisaged under the agreement in the event of NRSC, ISRO Scientist exploring, inventing or discovering results other than the specific objectives of the project, NRSC, ISRO and Principal, Zula Bhilajirao Patil College shall retain absolute rights on such results.

The Parties shall not assign any rights and obligations arising out of the IPR generated through inventions/activities carried out under the MOU to any third party without prior written consent of the other party.

In case research is carried out solely and separately by the party or the research results are obtained through the sole and separate effort of the party, the party concerned alone will apply for grant of IPR and once granted, the IPR will be solely owned by the concerned party.

In case of research results obtained through joint activities, the grant of intellectual property rights will be sought by both parties jointly and once granted these rights will jointly be owned by the Parties.

For all the data provided by the one of the parties, all responsibility and rights shall rest with that party only.

The Intellectual property that is (know-how/process/design/technique/ copyrights) generated in the project executed shall be owned by the respective parties depending on their respective contributions. Wherever, any of the above work executed in a collaborative way, the extent of the ownership shall be decided mutually, depending on the relative inputs (intellectual/ technical/ financial/physical) made by the parties here to the project.

All disputes concerning intellectual property rights and other commercial rights arising out of any activities performed under this MOU or agreement related thereto shall be settled through mutual deliberations in terms of applicable laws.

Sam

20. Commercialization:

In case of research results obtained through joint activities under this MoU both Parties will apply as co-applicants for the protection of intellectual property rights in India. Commercialization in any other country shall be done jointly through a separate agreement.

21. Publication:

Any Publication, document and/or paper arising out of joint work conducted by the parties on to this MOU will be jointly owned. The publications (research papers, reports etc.,) shall be in the names of research workers, wherein it will be duly acknowledged that the work has been carried out under collaborative programs between the parties. However, the data can be published and shared jointly for scientific publication with mutual consent of both the parties involved in the respective projects. The use of the name, logo and/or official emblem of the parties on any publication, document and/or paper will require prior permission of both the parties. It may however be ensured that the official emblem and logo is not misused.

22. Change in the scope of work / Modifications to MOU

The project is designed and formulated after detailed discussions. However if any change in scope or modifications required, will be done with mutual consent from both the parties and the same will be amended to this agreement/MOU. The modification / changes shall be effective from the date on which they are made, unless otherwise agreed upon.

23. Governing Law and Amendments

This MOU is hereby concluded in terms of understanding of the parties about the law of contract and intended to regulate by relevant applicable laws. However, one of the Parties with the written mutual consent of the other party, in order to facilitate settlement of dispute or implementation of the provision of this contract, may amend provision of this MOU.

24. Force Majeure

Neither party shall be held responsible for non-fulfilment of their respective obligations under the agreement due to the exigency of one or more of the unforeseen events such as but not limited to Acts of God, war, flood, earthquake, strike, lockouts, epidemics, riots, civil commotion etc. provided on the occurrence and cessation of any such events, the party affected thereby shall give a notice in writing to other party within one month of such occurrence or cessation. If the force-majeure

DFawm

conditions continue beyond six months, the parties shall then mutually decide about the future course of action.

25. Indemnity

Either Party ("Indemnifying Party") shall indemnify and keep indemnified the other Party ("Indemnified Party") against any and all claims, direct losses, injuries, liabilities, reasonable costs and expenses, direct damages, actions or proceedings which may be made or taken against the Indemnified Party by any person arising out of any breach, action or inaction of the Indemnifying Party under this agreement. In no event whatsoever, the Indemnifying Party shall be liable to the Indemnified Party for any loss of revenue, loss of profits, rights or services, incidental, indirect or consequential damages arising from or related to this agreement.

26. Arbitration:

In case of any dispute or difference of opinion or interpretation of the MOU arising out of the activities performed under the provisions of this MOU or related document not amicably resolved completely by mutual discussion or consultation between the parties within thirty days (30), the entire matter shall be referred to the Administrative Mechanism for Resolution of CPSEs Disputes (AMRCD) for settlement of any such commercial disputes and the procedure mentioned in the Office Memorandum Dated 22nd May, 2018 and others OM subsequently issued by Department of Public Enterprises, Ministry of Heavy Industries & Public Enterprises shall apply in consonance with applicable Indian laws and public policy.

Pending the submission of and / or decision on a dispute, difference or claim or until the arbitral award is published; the parties shall continue to perform all of their obligations under this MOU without prejudice to a final adjustment in accordance with such award.

27. Jurisdiction

Any dispute arising out of the MOU or the terms shall be subject to the exclusive jurisdiction of Hyderabad in consonance with the provisions of Code of Civil Procedure, 1908 as amended.

28. Termination: (for Cause, Convenience, and Force Majeure)

- a) On completion of MoU duration, as stated in the clause No. 5, the MoU ceases to exist.
- b) During the tenure of the agreement, either Party may terminate and nullify this Agreement/MOU by providing prior written notice of 30days to the other party for any of the reasons – Cause/convenience/Force Majeure.
 - i. Termination for Convenience: For convenience without assigning any reason.
 - ii. Termination for Cause: For the breach of any obligations/responsibilities/conditions of this agreement by the other party, with an opportunity to cure/rectify such a situation within thirty (30) days to the defaulting party and no remedial action is taken to the satisfaction of the aggrieved party.
 - iii. Termination for Force Majeure: in the event of “Force Majeure”
 - iv. Obligations upon Termination
 - v. Following termination or expiration of this Agreement, in addition to any other obligations existing hereunder or otherwise at law or in equity:
 - a) The rights and obligations of the parties thereto shall be settled by mutual discussion; the financial settlement if any shall take into consideration not only the expenditure incurred but also the expenditure committed by the parties hereto.
 - b) The agreement arrived at between the parties hereto for the utilization of the intellectual property (defined in clause #19.0) shall survive the termination of the agreement.

IIG is actively engaged in research in the fields of geophysical studies for groundwater, GPS studies, environmental magnetism etc. Other than the studies related to internal structure of the Earth that requires geological and geophysical background, the Institute has important contribution in the areas of Space Physics and Atmospheric Physics.

It is now proposed to derive mutual benefit of the expertise available at IIG, in the common areas of research with Department of Physics and School of Environmental & Earth Sciences, NMU. The Indian Institute of Geomagnetism and North Maharashtra University arrive at the Memorandum of Understanding (MoU) to work together in future in areas of common research interests. The MoU is extended to the points spelt out in Appendix I. Based on the experience gained, this may later be expanded.

APPENDIX I

1. This MoU comes into effect from the date of its signing and will remain in force initially for five years. Its validity can be extended by mutual agreement of the parties.
2. The progress of the collaboration and output should be reviewed once in a year by the Director IIG and Vice-Chancellor of NMU, alternately at IIG, Navi Mumbai and at NMU, Jalgaon.
3. **Broad Objectives- scientific:**
NMU and IIG hereby agree to collaborate at an academic level in activities related to Space Physics, Environmental and Earth Science endeavors.
4. **Role and Responsibilities of the North Maharashtra University, Jalgaon and IIG, Navi Mumbai:**
 - (a) NMU should recognize IIG as a Research Center as per guidelines of NMU.
 - (b) IIG and NMU shall undertake an academic exchange program in environmental science, physics of earth science, space physics and atmospheric physics and any such investigations that are agreed upon by both the parties. The experimental databases generated are to be used by both the institutes equitable.
 - (c) IIG will help in establishing experiments of mutual interest which will be subsequently maintained by NMU departments in the campus of NMU, Jalgaon and help in literature search as and when it is found necessary by both the parties for smooth running of the collaboration.
 - (d) North Maharashtra University shall make available the required infrastructural facilities such as laboratory space, utilities like water, power, management and administrative support.

(e) Collaborating scientists of IIG and NMU will take part in data acquisition (using IIG facilities at NMU), its analysis and interpretation and publish these research papers under joint authorship. Papers/project reports published using the data collected should acknowledge contributions from NMU and IIG.

(f) IIG academic staff may be invited to NMU as adjunct/visiting faculty to deliver expert lectures on syllabus related topics and topics of current interest in Environment & Earth Science as well as in Space & Atmospheric Physics. Schedule for the same can be finalized by mutual consent.

(g) IIG should encourage the students and research faculties of NMU who would like to work with IIG scientists at IIG campus or at NMU. The project work carried out by the students will be recognized by NMU for respective degrees, viz. M.Sc., M. Tech., M. Phil, Ph.D.

(h) IIG faculties should be able to get recognized as Ph.D. guides in NMU and IIG students should be able to register themselves as Ph.D. students with the registered IIG and NMU guides in all the relevant and overlapping subjects such as environmental science and applied geology.

(i) For Ph.D. students belonging to IIG and NMU, the main guide compulsorily has to be a faculty of the concerned institute. However other faculties of these institutes can be co-guides.

5. MoU and its amendments:

The MoU shall be the sole repository of the terms and conditions agreed to between the parties and in maintaining thereof shall take into effect or be binding on IIG and NMU unless such amendments is authorized by IIG and NMU and is recorded in writing and signed by the representatives of IIG and NMU.

6. Project Monitoring Group:

Technical and administrative liaison shall be maintained between NMU and IIG through a Programme monitoring group to facilitate smooth running of the scientific activities. This group shall consists of,

1. Faculty of IIG as approved by Director of IIG
2. Prof. S.T. Ingle, Director of School of Environmental and Earth Sciences, NMU Jalgaon
3. Dr.S.N.Patil, Reader, School of Environmental and Earth Sciences, NMU Jalgaon
4. Faculty of Department of Geology, Z.B.Patil College, Dhule
5. Faculty of NMU as approved by Honorable Vice-Chancellor, NMU, Jalgaon
6. Faculty of Department of Geology and Geo informatics, M.J.College Jalgaon

MEMORANDUM OF UNDERSTANDING BETWEEN THE INDIAN INSTITUTE OF
GEOMAGNETISM, NAVI MUMBAI AND NORTH MAHARASHTRA
UNIVERSITY, JALGAON

PREAMBLE:

The Indian Institute of Geomagnetism (IIG) is a premier autonomous national research centre under the Department of Science and Technology (DST), Govt. of India. The Institute is involved in research in different areas of geomagnetism, upper atmospheric physics and solid earth geomagnetism. The main aim of geomagnetic studies is to identify changes in geomagnetic field which is then used for understanding the internal structure of the Earth, near-Earth space and solar terrestrial interaction.

The North Maharashtra University (NMU) is a leading academic organization engaged in the pursuit of higher learning, teaching and research. The School of Environmental and Earth Sciences is actively involved in teaching and research in multidisciplinary areas such as geo-environmental aspects, groundwater assessment, geo-medical hazards, geochemical studies, GPS and GIS studies etc.

7. Arbitration:

Any dispute or difference arising between the parties shall be referred to the Director, IIG and the Registrar, NMU or any other person mutually acceptable to them. Their decision in the matter shall be final.

In witness whereof, the parties hereto have executed this MoU through their authorized representatives.

Memorandum of Understanding

Monitoring & Investigations on lightning phenomena and its associated processes using lightning detection systems (LDS) at Collaborating Institutes

This Memorandum of Understanding (hereinafter called the "MoU") is made on the 20th day of October 2021, between the National Remote Sensing Centre (NRSC), Indian Space Research Organisation (ISRO), Department of Space, Government of India (hereinafter called the 'NRSC') as the 1st party and Zulal Bhilajirao Patil (ZBP) College, DHULE – 424002, Maharashtra, as the 2nd party.

NOW THEREFORE, the parties hereto hereby agree as follows:

1 Preamble

(i) National Remote Sensing Centre (NRSC)

National Remote Sensing Centre (NRSC) is one of the primary centers of Indian Space Research Organization (ISRO), Department of Space (DOS), Govt. of India. NRSC has the mandate for establishment of ground stations for receiving satellite data, generation of data products, dissemination to the users, development of techniques for remote sensing applications including disaster management support, geospatial services for good governance and capacity building for professionals, faculty and students.

(ii) Introduction : (Second Party) – Zulal Bhilajirao Patil (ZBP) College, DHULE

Zulal Bhilajirao Patil College formerly known as Jai Hind Arts, Science and Commerce College affiliated to the University of Pune was established in June 1982 later it was affiliated to North Maharashtra University, Jalgaon established on 15th Aug. 1990. In 1982 the student strength was just 250 and today the college stands in a multi-storied, majestic building providing education to more than two thousand and eight hundred students. Z. B. Patil College, Dhule located in the remotest part of Maharashtra, shares its borders with Gujarat and Madhya Pradesh. Being predominantly a tribal and rural area, it is economically and industrially backward. In this arid land, ZulalBhilajiraoPatil (Jai Hind) College has created an oasis of quality education with a mission to mobilize student's strength for a healthy democracy. This is undertaken by inculcating the values of leadership, creativity, aesthetics, citizenship and healthy respect for life and nature. Within a short period the College came to be known for its academic excellence and has established "Jai Hind" as brand name.

उपविभागीय अधिकारी, धुळे भाग धुळे

जयहिंद शैक्षणिक ट्रस्ट संचलित, झुलाल भिलाजीराव पाटील महाविद्यालय धुळे ता.
धुळे, जिल्हा धुळे हे सन १९८२ पासून महाराष्ट्रातील एक नामांकित व शैक्षणिक नेतृत्व
करणारे महाविद्यालय आहे. ‘उत्कृष्टतेचा व समाजविकासाचा ध्यास’ तसेच समाजाच्या

शेवटच्या घटकापर्यंत शिक्षण पोहचविणे हे 'मिशन' म्हणून प्रारंभापासूनच संस्था व महाविद्यालयाने स्विकारले आहे. संस्था चालकांचा ध्येयवाद, शैक्षणिकदृष्टी आणि प्रयत्नशील प्रामाणिकपणा याचबरोबरच शिक्षक, शिक्षकेतर कर्मचारी व विद्यार्थी या त्रिसूत्रीची समर्पित वृत्ती या सर्वांच्या एकत्रित प्रयत्नातून महाविद्यालयाचा लौकीक वाढत गेलेला आहे. विद्यार्थ्यांची कठोर मेहनत घेण्याची तयारी आणि जागरूक पालकांचा खंबीर पाठींबाही यास कारणीभूत आहे. सातत्याने मेहनत घेत राहणे, वर्षानुवर्ष गुणवत्ता टिकवून ठेवणे, सातत्याने विद्यार्थ्यांना प्रोत्साहित करणे आणि पाल्य - पालकांत विश्वासाचे वातावरण निर्माण करण्याचे कार्य या महाविद्यालयाने केले आहे.

सध्या कला, वाणिज्य व विज्ञान आदि विभागातून सुमारे २३०० पेक्षा अधिक विद्यार्थी शिक्षण घेत आहेत. स्पर्धा परीक्षा विभागामार्फत विद्यार्थ्यांच्या सर्वांगीण व्यक्तिमत्व विकासात भर पडत असून प्रशासकीय सेवेतील अधिकारी घडवण्याचे काम सुरु आहे.

महाविद्यालयाने समाजाच्या उन्नतीसाठी नेहमीच पुढाकार घेऊन लोकांच्या समस्या दूर करून त्यांना मुख्य प्रवाहात आणण्याचे काम केले आहे. ज्यामध्ये व्यसनमुक्ती, हुंडी बंदी, एडस जनजागृती, ई पेमेंट याबाबत लोकांमध्ये जाऊन जनजागृतीच्या माध्यमाने समाजाला भेडसावणाऱ्या अडचणी दूर करून एक सशक्त समाज उभा करण्यासाठी सर्वोत्तम प्रयत्न केले आहेत.

जयहिंद शैक्षणिक ट्रस्ट संचलित, झुलाल भिलाजीराव पाटील महाविद्यालय धुळे ता. धुळे, जिल्हा धुळे आणि उपविभागीय अधिकारी, धुळे एकमेकांबरोबर 'सामंजस्य करार' (MOU) दिनांक / / २०२३ रोजी करत आहोत.

MEMORANDUM OF UNDERSTANDING BETWEEN

DHULE BRANCH OF INSTITUTE OF CHARTERED ACCOUNTANTS OF INDIA (ICAI)
AND

Z. B. PATIL COLLEGE, DHULE

This Memorandum of Understanding (MOU) is entered into on this 26th day of Sept, 2023, by and between the Dhule Branch of Institute of Chartered Accountants of India (ICAI), represented by [Name of ICAI Representative], here in after referred to as "ICAI," and Z. B. Patil College, Dhule, represented by [Dr. K.M. Ghoraslap], here in after referred to as "Z. B. Patil College, Dhule."

WHEREAS, both parties recognize the paramount importance of fostering educational, professional, and collaborative relationships to benefit the students and staff of Z. B. Patil College, Dhule.

THEREFORE, ICAI and Z. B. Patil College, Dhule hereby mutually agree to the following terms and conditions:

Career Counselling for Students: Dhule ICAI shall provide career counseling services to the students of Z. B. Patil College, Dhule, assisting them in making well-informed decisions about pursuing careers in accounting and related fields. These sessions can be conducted on the college premises.

Organizing Sessions on Startups: Dhule ICAI will periodically organize sessions and workshops on entrepreneurship and startups for the students of Z. B. Patil College, Dhule, aimed at fostering innovation and an entrepreneurial spirit. These sessions can be conducted at the college premises.

CA Coaching Classes within College Premises for Students: The Dhule Branch of WIRC of ICAI will arrange for faculty to conduct Chartered Accountancy (CA) coaching classes within the college premises to support students interested in pursuing a career as a Chartered Accountant.

Sessions on Capital Markets for Staff & Students: The Dhule Branch of WIRC of ICAI will organize faculty-led educational sessions on capital markets and financial investments, open to both staff and students of Z. B. Patil College, Dhule, aimed at enhancing their financial literacy. These sessions can be conducted at the college premises.

Organizing TEL Course for Students: Dhule ICAI will facilitate the organization of Training, Education, and Learning (TEL) courses to equip students of Z. B. Patil College, Dhule, with practical skills and knowledge in the fields of accountancy and finance. The course will be conducted virtually, and the fee per participant will be Rs 500 (subject to any future modifications).

Setting up an Accounting Museum for Commerce Students: Dhule ICAI has compiled a collection of various archives and content that highlight the evolution of accounting and depict the growth of the profession. This material can be framed and installed as an accounting museum to inspire, encourage, and motivate students regarding the history and growth of accounting. The Dhule Branch of WIRC of ICAI can provide this content, which can be installed by the institution.

Faculty Development Program (FDP): Dhule branch of WIRC of ICAI can provide Faculty Development Programs (FDP) designed to enhance the skills of faculty members in your institution. These programs aim to improve the academic and intellectual environment by offering faculty members opportunities for research and staying updated with the latest developments in their respective subjects. FDPs are crucial for ensuring effective knowledge delivery to students and promoting their success.

Subject : MOU Regarding Lightning Detection System.

As Per Your Mail regarding lightning detection system (LDS) , we are thankful to you for the proposal, which is really useful for the society and our researchers in various aspects.

As per your proposal details we are ready to provide you the required necessary facilities to install a detector at our center for continuous and long term data collection. The details of which are as follows:

- i) Secure roof top area of 5ft x 5ft for installing antenna
- ii) Provision for data logging computer space inside the building,
- iii) UPS power supply and internet connection for real-time data transfer.

On your side you are ready to provide the lightning detection system (LDS), a dedicated PC, tripod for fixing the antenna, few pipes for cables and connections with insulation powder to each station along with financial support.

You can dispatch the system in the name of principal Dr. P.H. Pawar, JET's Z.B. Patil College, Deopur, Dhule. -424002.

Thanks and best regards.

Yours faithfully,

ZulalBhilajiraoPatil College (Second Party)

ZulalBhilajiraoPatil College formerly known as Jai Hind Arts, Science and Commerce College affiliated to the University of Pune was established in June 1982 later it was affiliated to North Maharashtra University, Jalgaon established on 15th Aug. 1990. In 1982 the student strength was just 250 and today the college stands in a multi-storied, majestic building providing education to more than two thousand and eight hundred students. Z. B. Patil College, Dhule located in the remotest part of Maharashtra, shares its borders with Gujarat and Madhya Pradesh. Being predominantly a tribal and rural area, it is economically and industrially backward. In this arid land, ZulalBhilajiraoPatil (Jai Hind) College has created an oasis of quality education with a mission to mobilize student's strength for a healthy democracy. This is undertaken by inculcating the values of leadership, creativity, aesthetics, citizenship and healthy respect for life and nature. Within a short period the College came to be known for its academic excellence and has established "Jai Hind" as brand name

Purpose/Need for MOU

To expand LDS network with the active support from ZulalBhilajiraoPatil College.terms of installations of LDS system at ZulalBhilajiraoPatil College premises, collection of data, maintenance of the LDS system, dissemination of the data to NRSC and utilisation of the lightning data for scientific use.

जयहिंद शैक्षणिक ट्रस्टचे
झुलाल भिलाजीराव पाटील महाविद्यालय, देवपूर धुळे

सन २०२०-२१ वार्षिक क्रीडा अहवाल

जागतिक महामारीमुळे भारतात विविध क्षेत्रांवर मोठ्या संकटाला सामोरे जावे लागले. यात क्रीडा क्षेत्र मोठ्या प्रमाणात होरपळले गेले. स्पर्धेचे आयोजन, प्रशिक्षण केंद्रे, मैदानावरील सराव यावर बंधने आली. परंतु शारीरिक तंदुरुस्ती, मानसिक स्वास्थ्य, रोगप्रतिकारक शक्ती वाढवण्यासाठी व्यायामच महत्वाचा उपाय म्हणून समोर आला. महामारीच्या काळात महाविद्यालयातील विद्यार्थी, प्राध्यापक व इतर कर्मचारयाचे शरीर आणि मन सक्षम व्हावे यासाठी विविध उपक्रम राबवले गेले..

जागतिक महामारीच्या काळात देखील महाविद्यालयातील हेमंत मन्साराम परदेशी या खेळाडूने युथ (रुरल गेम अंड फेडरेशन ऑफ इंडिया) राष्ट्रीय स्तरावर ६०-६४ की. वजन गटात बॉक्सिंग स्पर्धेत सभाग नोंदवला.

ऑनलाईन पद्धतीने फिटनेस सर्वेक्षण कार्यक्रम : ऑनलाईन पद्धतीने फिटनेस सर्वेक्षण कार्यक्रमाचे आयोजन २४ एप्रिल ते ११ जून या काळात करण्यात आले. या कार्यक्रमात १३१ सहभागींनी सहभाग नोंदविला.

आंतरराष्ट्रीय योग दिवस : महाविद्यालयाने २१ जून २०२० रोजी ६ वा आंतरराष्ट्रीय योग दिना निमित्त महाविद्यालयातील विद्यार्थी, प्राध्यापक, कर्मचारीवर्ग व आजी-माजी विद्यार्थ्यांनी सहभाग नोंदविला या कार्यक्रमात एकूण ११८ सहभागींनी उत्स्फूर्त सहभाग नोंदविला.

ऑनलाईन क्वीझ : महाविद्यालयातील विद्यार्थ्यांची क्रीडा क्षेत्रा विषयक बौद्धिक क्षमता वाढविण्यासाठी ऑनलाईन पद्धतीने क्रीडा प्रश्नोत्तर कार्यक्रम -स्पोर्ट्स जीके टेस्ट चे आयोजन करण्यात आले.

फिट इंडिया मुव्हमेंट : फिट इंडिया मुव्हमेंट अंतर्गत महाविद्यालयात सायकलिंग, रनिंग, वॉकिंग या उपक्रमाचे आयोजन केले. या उपक्रमात सहभागींनी आपल्या जागेत आपल्या वेळच्या उपलब्धतेनुसार सहभाग घ्यावयाचा होता. शारीरिक तंदुरुस्तीस प्रवृत्त व्हावे यासाठी दिनांक २ ते ७ ऑक्टोबर २०२० या कालावधीत या कार्यक्रमाचे आयोजन करण्यात आले. यात कार्यक्रमात एकूण १८१ सहभागी उत्स्फूर्त सहभाग नोंदविला.

शारीरिक शिक्षण-क्रीडा व योग विषय अभ्यासक्रमाचे आयोजन : कवयित्री बहिणाबाई चौधरी उत्तर महाराष्ट्र विद्यापीठ जळगाव यांच्या निर्देशानुसार २०२०-२१ या शैक्षणिक वर्षात पाचव्या सत्रासाठी स्पोर्ट्स शारीरिक शिक्षण व क्रीडा व सहाव्या सत्रासाठी योग या विषयाचे नॉनक्रेडीट कोर्सची सुरुवात करण्यात आली. यासंबंधी ऑनलाईन पद्धतीने व्याख्यान, प्रोजेक्ट व अंतिम परीक्षा परीक्षेचे आयोजन करण्यात आले.
