One Day Seminar on NEP-2020: Challenges and Opportunities in context of Chemistry

On Saturday, 11th September 2022, the Department of Chemistry, JET's, Z. B. Patil College, Dhule, and the Association of Chemistry Teachers (ACT, KBCNMU, Jalgaon) organized a one-day seminar on National Education Policy (NEP) 2020: **Challenges and Opportunities in the context of Chemistry**. The lecture was delivered by Dr. Vishwas B. Gaikwad, Principal, KTHM College, Nashik. During his talk he highlighted the positive points and drawbacks of NEP-2020. He discussed about how the revolution took place in the education policies from 1968 to 2020. He pointed out the challenges teachers would face while adopting NEP-2020 similarly, students can earn multiple certificates and degrees during their education. The interdisciplinary subject teaching will be conducted by teachers. The job oriented education will be provided to the students. He also discussed the concept of cluster college, where the number of students stakeholder would be considered by the ministry of Higher Education. The current 10+2 education system is to be replaced by a new 5+3+3+4 to edges 3-8, 8-11-14, 14-18 years respectively. The three types of universities will exist in near future by 2030, like research university: is fully dedicated to research, 2) teaching university: only for teaching and research & teaching: for blended study. During the answer question session, Dr. Gaikwad pointed out that teachers need to take extra effort to enlighten the students and they should get familiarized with the points given in the NEP-2020. Education system. Prof. P. P. Mahulikar (Ex Pro VC, KBCNMU Jalgaon) addressed all the faculties in the NEP-2020 seminar. He encouraged all the faculties to adopt new challenges in the teaching and research field. In the presidential speech, Prof Sudhir Patil (Chairman, CDC, JET's, Z. B. Patil College, Dhule) highlighted the goals and contribution of Jai Hind Educational trust towards society. He assured that college management would welcome the new ideas from all the qualities and nearby institutes for student development. Dr. P. H. Pawar (Principal, Z. B. Patil College), in his speech mentioned that ACT is doing great work and building the best research culture among the university and college teachers.

In the post-lunch session, the Celebration of the 3rd Annual Day of the Association of Chemistry Teachers (ACT), KBC NMU, Jalgaon took place. The agenda of the ACT regarding the teaching, research, and syllabus framing workshop was discussed in the meeting. The felicitation of recently appointed Principals, HOD, Research Guide, Ph.D. awarded teachers, and Retired teachers were also conducted by ACT. The total of 90 teachers from the various colleges actively participated in the seminar. The vote of thanks was given by Seminar Coordinator, Dr. V. B. Jadhav, Head, Department of Chemistry. All the teaching and non-teaching staff took remarkable efforts for the success of this one-day seminar.
