## Feedback System

Our college develops and conducts online feedback system for the students, parents, alumni, and teachers. Our students, parents, alumni and teachers fill the feedback forms.

- Students give feedback about curriculum at the end of the final year examination. Student give feedback for all the theory and practical courses taught to them throughout the year. Questions are based on the feedback of syllabus, adequacy of syllabus, load of syllabus, relevance of the units, size of syllabus in terms of burden, curriculum in relation to the real life application, assessment of answer books, satisfaction about teaching methodology, etc. By analyzing the students' feedback it is clear that the students are satisfied with the contact hours in the teaching, learning and evaluation process. The students get encouragement through the design which enables them for learning and updating their knowledge. The students are getting benefits by the applications of the curriculum in their life.
- Alumni Feedback is conducted whenever Alumni Meets are organised in the Institute during academic year. This Feedback from Alumni evaluates subject knowledge of the program, level of meeting expectation, progress of alumni in career after graduation, programme helps in developing their personality, impact of training, motivation and encouragement they got in the college.
- The feedback from the Parents helps to understand the intellectual ability, social responsibility, skill development, suitability of the courses for career growth of the ward, personality development of ward etc. Parents' feedback is based on overall development of their ward and about learning environment in the college as well as imparting value based education to their wards.
- Teachers Feedback is conducted at the end of academic year. The feedback from teachers is drawn relating to satisfaction towards the curriculum. The feedback was taken on a 5 point scale. The teachers are accordingly instructed by the authorities to improve their performances.

- Some of the faculties are also members of Board of Studies wherein their expertise and reported feedback is discussed in the respective BOS meetings. As per the New University Law the students are involved in the Syllabus Reframing Workshops.
- ***Representatives are incorporated in the syllabus restructuring. New university Act 2018 is considered to improve the interaction between the University and students by way of inclusion of students' representation on BOS committee.*** As per existing rules the syllabus is restructured after every three years. The observations and suggestions given by the students, alumni and parents are forwarded to University. BOS Committee is incorporates newly expected suggestions in the new framework of syllabus.
